

DAWPOOL

# Dawpool C.E. (Aided) Primary School

## YEAR 6 EXPECTATIONS

*'The Fruit of the Spirit is Love, Joy, Peace, Patience,  
Kindness, Generosity, Faithfulness, Gentleness  
and Self-Control'*

*(Galatians 5: 22-23).*

*‘For I know the plans I have for you,’ declares the Lord. ‘Plans to prosper you and not to harm you, plans to give you hope and a future.’ (Jeremiah 29:11)*

## **Dawpool Curriculum Overview**

At Dawpool, the school curriculum consists of all those activities designed or encouraged within its organisational framework to provide the intellectual, emotional, personal, social, spiritual and physical development of its pupils. It includes not only the formal programme of lessons but also the "informal" programme of so called extra-curricular activities as well as those features which produce the school's ethos (i.e. the "hidden curriculum") such as the quality of relationships and the values exemplified by the way the school sets about its task.

Our aim is to provide a curriculum which will firstly enlarge the pupil's knowledge, experience and imaginative understanding, and thus his/her awareness of moral values and capacity for enjoyment, and secondly, enable the pupil to enter the world after formal education is over as an active participant in society and a responsible contributor to it, capable of achieving as much independence as possible.

There is an Act of Worship every morning. This is an important part of the day for children and staff and we enjoy coming together. During worship, our pupils reflect on our core Christian values and we focus on key people, places, stories and events in the Bible. Our thought-provoking worship gives the pupils the opportunity for spiritual reflection throughout the week and reinforces our work on 'What If Learning' which we weave into all aspects of learning and thinking. Each week we celebrate our Christian values when we award our 'Fruit of the Spirit' awards in Celebration Assembly.

In addition to Religious Education, the children follow the National Curriculum subjects according to their appropriate level and Key Stage. Morning lessons usually consist of all aspects of English and Mathematics. Our 'Power of Reading' English curriculum places quality literature at the heart of teaching and learning. Mathematics lessons are delivered using Singaporean approaches and gives significant emphasis to number sense, reasoning and problem solving. We ensure that the programmes of study for each subject are taught but try to find innovative methods to encourage our pupils to become independent learners. All of our staff are trained in 'Building Learning Powers', following the guidance of Professor Guy Claxton. Our children are now more resilient and collaborate very well. They also know themselves as learners. Each week we celebrate an aspect of learning when we award our 'Learning Hero' awards in Celebration Worship.

---

*'For I know the plans I have for you,' declares the Lord. 'Plans to prosper you and not to harm you, plans to give you hope and a future.' (Jeremiah 29:11)*

Science is usually taught as a stand alone subject and follows the Kent Primary Science Scheme of Work. Where possible it is linked to our local environment. Trips to Claremont Farm, Church Farm and Thurstaston Hill enhance our pupils' experience.

Each class has up to two hours of physical activity throughout the week. We take advantage of local Sports Colleges and employ specialists to teach tennis, dance and gymnastics. There is a range of extra curricular sporting activities on offer throughout the year.

Modern foreign languages are taught in KS2. Pupils in Y3 and Y4 have French tuition each week and Y5 and Y6 have Spanish tuition led by Passport Language Solutions (PLS).

Most of the foundation subjects are taught by means of a thematic approach. Music is included in these themes but is also taught through the 'Charanga' music scheme. All Y4 pupils learn to play the ukulele for one year. During KS2, our pupils are given the opportunity to learn to play an instrument of their choice as the school employs a range of tutors. Musical productions take place at the end of Autumn (KS1) and Summer (KS2) terms. All of our pupils also perform in Acts of Worship, class assemblies for parents and church services.

The current themes for the curriculum are:

	Autumn	Spring	Summer
Y1	Toys Weather	Local History The Titanic	Transport
Y2	The Holiday Island	Music in the 1960s	Antarctic Explorers
Y3	Egyptians	Victorians	The Stone Age
Y4	Romans	Volcanoes & Earthquakes	Liverpool
Y5	Brazil & Rainforests,	Ancient Greece	Anglo Saxons

<b>Y6</b>	<b>Vikings</b>	<b>World War 1</b>	<b>Journeys</b> <b>The Mayans</b>
-----------	----------------	--------------------	--------------------------------------

For each theme we start by gathering the children's knowledge to assess prior learning. This is usually followed by a trip, a visitor or a celebration to launch the topic. All themes relate to our local environment and pupils are encouraged to compare and contrast geographical locations and/or historical settings. Art and design usually lends itself to each theme. We ensure that the National Curriculum Programmes of Study for the foundation subjects are covered and enhanced. Often the pupils lead their learning through research and independent learning. No topic is ever the same.

## **A Year 6 Reader at Dawpool**

### **Word Reading**

- I can apply my knowledge of root words, prefixes and suffixes to read aloud and to understand the meaning of unfamiliar words.
- I use my combined knowledge of phonemes and word derivations to pronounce words correctly, e.g. arachnophobia.
- I attempt the pronunciation of unfamiliar words drawing on my prior knowledge of similar looking words.
- I can read fluently, using punctuation to inform meaning.

### **Comprehension**

- I am familiar with and can talk about a wide range of books and text types, including myths, legends and traditional stories and books from other cultures and traditions. I can discuss the features of each.
- I can read books that are structured in different ways.
- I can recognise texts that contain features from more than one text type.
- I can evaluate how effectively texts are structured and presented.
- I can read non-fiction texts to help with my learning.
- I read accurately and check that I understand.
- I can recommend books to others and give reasons for my recommendation.
- I can identify themes in texts.
- I can identify and discuss the conventions in different text types.
- I can identify the key points in a text.
- I can recite a range of poems by heart, e.g. narrative verse, sonnet.
- I can prepare poems and plays to read aloud and to perform, showing understanding through intonation, tone, volume and action.
- I can identify and comment on the writer's choice of vocabulary, giving examples and explanation.
- I can identify and explain how writers use grammatical features for effect; for example, the use of short sentences to build tension.
- I can show awareness of the writer's craft by commenting on use of language, grammatical features and structure of texts.
- I can express a personal point of view about a text, giving reasons linked to evidence from texts.
- I can raise queries about texts.
- I can make connections between other similar texts, prior knowledge and experience and explain the links.
- I can compare different versions of texts and explain the differences and similarities.

---

*'For I know the plans I have for you,' declares the Lord. 'Plans to prosper you and not to harm you, plans to give you hope and a future.'* (Jeremiah 29:11)

Comprehension continued . . .

- I listen to others' ideas and opinions about a text.
- I can build on others' ideas and opinions about a text in discussion.
- I can explain and comment on explicit and implicit points of view.
- I can summarise key information from different parts of a text.
- I can recognise the writer's point of view and discuss it.
- I can present a personal point of view based on what has been read.
- I can present a counter-argument in response to others' points of view.
- I can provide reasoned justifications for my views.
- I can refer to the text to support opinion.
- I can distinguish between statements of fact and opinion.
- I can find information using skimming to establish the main idea.
- I can use scanning to find specific information.
- I can text mark to make research efficient and fast.
- I can organise information or evidence appropriately.

---

*'For I know the plans I have for you,' declares the Lord. 'Plans to prosper you and not to harm you, plans to give you hope and a future.' (Jeremiah 29:11)*

## **Greater Depth in Reading**

- I can explain the structural devices used to organise a text.
- I can comment on the structural devices used to organise the text.
- I can read several texts on the same topic to find and compare information.
- I can explain the main purpose of a text and summarise it succinctly.
- I can draw inferences from subtle clues across a complete text
- I can recognise the social, historical and cultural impact on the themes in a text.
- I can comment on the development of themes in longer novels.
- I can compare and contrast the styles of different writers with evidence and explanation.
- I can evaluate the styles of different writers with evidence and explanation.
- I can prepare poems and plays to read aloud and to perform, using body language, tone, pitch and volume to engage the audience.
- I can compare and contrast the language used in two different texts.
- I can identify the grammatical features/techniques used to create mood, atmosphere, key messages, attitudes.
- I can evaluate the impact of the grammatical features/techniques used to create mood, atmosphere, key messages, attitudes.
- I can identify how writers manipulate grammatical features for effect.
- I can analyse why writers make specific vocabulary choices.
- I can give a personal response to a range of literature and non-fiction texts, stating preferences and justifying them.
- I can explain how and why a text has impact on a reader.
- I can identify how characters change during the events of a longer novel.
- I can explain the key features, themes and characters across a text.
- I can compare and contrast characters, themes and structure in texts by the same and different writers.
- I can explain the author's viewpoint in a text and present an alternative point of view.
- I can explain an opinion, referring to the text to justify it; (Point, evidence, explanation).
- I can present a counter-argument in response to others' points of view using evidence from the text and explanation (Point, evidence, explanation)
- I can use a combination of skimming, scanning and text marking to find and collate information.
- I can re-present collated information.

---

*'For I know the plans I have for you,' declares the Lord. 'Plans to prosper you and not to harm you, plans to give you hope and a future.'* (Jeremiah 29:11)

## **A Year 6 Writer at Dawpool**

### **Transcription**

#### **Spelling**

- I can convert verbs into nouns by adding a suffix.
- I can distinguish between homophones and other words which are often confused.
- I can spell the commonly mis-spelt words from the Y5/6 word list.
- I understand that the spelling of some words need to be learnt specifically.
- I can use any dictionary or thesaurus.
- I use a range of spelling strategies.

#### **Handwriting**

- I can choose the style of handwriting to use when given a choice.
- I can choose the handwriting that is best suited for a specific task.

### **Composition**

- I can identify the audience for and purpose of the writing.
- I can choose the appropriate form and register for the audience and purpose of the writing.
- I use grammatical structures and features and choose vocabulary appropriate to the audience, purpose and degree of formality to make meaning clear and create effect.
- I use a range of sentence starters to create specific effects.
- I can use developed noun phrases to add detail to sentences.
- I use the passive voice to present information with a different emphasis.
- I use commas to mark phrases and clauses.
- I can sustain and develop ideas logically in narrative and non-narrative writing.
- I can use character, dialogue and action to advance events in narrative writing.
- I can summarise a text, conveying key information in writing.

---

*'For I know the plans I have for you,' declares the Lord. 'Plans to prosper you and not to harm you, plans to give you hope and a future.'* (Jeremiah 29:11)

---

## **Grammar and punctuation**

### **Sentence structure**

- I can use the passive voice.
- I can vary sentence structure to suit formal and informal writing.

### **Text structure**

- I can use a variety of organisational and presentational devices appropriate to the text type.
- I write in paragraphs which can clearly signal a change in subject, time, place or event.

### **Punctuation**

- I can use the semi-colon, colon and dash.
- I can use the colon to introduce a list and the semi-colon within lists.
- I can use a hyphen to avoid ambiguity.

### **Greater Depth in Writing**

- I can choose the appropriate style and form for the purpose and audience of my writing.
- I can use techniques to engage the reader, for example, personal comments, opening hook, flashback.
- I can write paragraphs with a clear focus.
- I can write paragraphs with different structures and lengths.
- I can link ideas within and between paragraphs with a range of cohesive devices, for example, connecting adverbs/adverbials, use of pronouns.
- I can use different sentence structures and lengths to suit the purpose and audience of my writing.
- I can use a range of sentence types for impact and specific effect on the reader.
- I can control complex sentences, manipulating the clauses to achieve specific effects.
- I can use punctuation to convey and clarify meaning, including the colon and semi-colon.
- I can make precise and specific word choices according to the text type and audience.
- I can summarise longer texts precisely, identifying the key information.
- I can use the passive voice confidently, for example, to create suspense, or in a science investigation, or an historical or geographical report.
- I can use the subjunctive in the most formal writing to express a wish or a suggestion for the future.

---

*'For I know the plans I have for you,' declares the Lord. 'Plans to prosper you and not to harm you, plans to give you hope and a future.'* (Jeremiah 29:11)

### **A Year 6 Speaker at Dawpool**

- I talk confidently and fluently in a range of situations, using formal and Standard English, if necessary.
- I ask questions to develop ideas and take account of others' views.
- I explain ideas and opinions giving reasons and evidence.
- I take an active part in discussions and can take on different roles.
- I listen to, and consider the opinions of, others in discussions.
- I make contributions to discussions, evaluating others' ideas and responding to them.
- I can sustain and argue a point of view in a debate, using the formal language of persuasion.
- I can express possibilities using hypothetical and speculative language.
- I engage listeners through choosing appropriate vocabulary and register that is matched to the context.
- I can perform my own compositions, using appropriate intonation, volume and expression so that literal and implied meaning is clear.
- I can perform poems and plays from memory, making deliberate choices about how to convey ideas about characters, contexts and atmosphere.

---

*'For I know the plans I have for you,' declares the Lord. 'Plans to prosper you and not to harm you, plans to give you hope and a future.'* (Jeremiah 29:11)

### **Greater Depth in Speaking**

- I can adapt spoken language confidently according to the demands of the context. .
- I understand that there are different registers and levels of formality within Standard English and that this is dependent upon the context.
- I can make considered choices about the required register and vocabulary I need to use to engage my audience, according to the context.
- I can ask pertinent questions to develop and extend ideas.
- I can articulate ideas and opinions, using evidence and explanation in support
- I participate in discussions, listen attentively and respond to others' points of view, drawing on evidence and explaining my ideas.
- I can adopt group roles and responsibilities independently, drawing ideas together and promoting effective discussion.
- I can debate an issue, structuring a logical argument using formal discursive language and responding to the opposite point of view.
- I can explore complex ideas and feelings in a range of ways, both succinct and extended.
- I can maintain generally controlled and effective organisation of talk to guide the listener.
- I can perform my own compositions, using appropriate intonation, volume and expression to engage my audience.
- I can perform poems or plays from memory, making deliberate choices about how I convey ideas about characters, contexts and atmosphere, to engage a specific audience.

## **A Year 6 Mathematician at Dawpool**

### **Number, place value, approximation and estimation/rounding**

- I can read, write, order and compare numbers up to 10,000,000.
- I can determine the value of each digit in numbers up to 10,000,000.
- I can round any whole number to a required degree of accuracy.
- I can use negative numbers in context, and calculate intervals across zero.
- I can solve number problems and practical problems with the above.

### **Calculations**

- I can use estimation to check answers to calculations and determine, in the context of a problem, an appropriate degree of accuracy.
- I can solve addition and subtraction multi-step problems in contexts, deciding which operations and methods to use and why.
- I can identify common factors, common multiples and prime numbers.
- I can perform mental calculations, including with mixed operations and large numbers.
- I can multiply multi-digit numbers up to 4 digits by a 2 digit whole number using the formal written method of long multiplication.
- I can divide numbers up to 4 digits by a 2 digit whole number using the formal written method of long division, and interpret remainders as whole number remainders, fractions, or by rounding, as appropriate for the context.
- I can divide numbers up to 4 digits by a 2 digit number using the formal written method of short division where appropriate.
- I can solve problems involving addition, subtraction, multiplication and division.
- I can use my knowledge of the order of operations to carry out calculations involving the four operations.

## **Fractions, decimals and percentages**

- I can use common factors to simplify fractions and use common multiples to express fractions in the same denomination.
- I can compare and order fractions, including fractions  $>1$ .
- I can add and subtract fractions with different denominators and mixed numbers, using the concept of equivalent fractions.
- I can multiply simple pairs of proper fractions, writing the answer in the simplest form.
- I can divide proper fractions by whole numbers.
- I can associate a fraction with division to calculate decimal fractions equivalents for a simple fraction.
- I can identify the value of each digit to 3 decimal places and multiply and divide numbers by 10, 100 and 1000 giving answers up to 3 decimal places.
- I can multiply 1-digit numbers with up to 2 decimal places by whole numbers.
- I can use written division methods in cases where the answer has up to 2 decimal places.
- I can solve problems which require answers to be rounded to specified degrees of accuracy.
- I can recall and use equivalences between simple fractions, decimals and percentages, including in different contexts

## **Ratio and proportion**

- I can solve problems involving the relative sizes of two quantities, where missing values can be found using integer multiplication and division facts.
- I can solve problems involving the calculation of percentages and the use of percentage comparisons.
- I can solve problems involving similar shapes where the scale factor is known or can be found.
- I can solve problems involving unequal sharing and grouping using knowledge of fractions and multiples.

## **Algebra**

- I can express missing number problems algebraically.
- I can use simple formulae.
- I can generate and describe linear number sequences.
- I can find pairs of numbers that satisfy an equation with two unknowns.
- I can enumerate possibilities of combinations of two variables.

---

*'For I know the plans I have for you,' declares the Lord. 'Plans to prosper you and not to harm you, plans to give you hope and a future.'* (Jeremiah 29:11)

## **Measurement**

- I can use, read, write and convert between standard units, converting measurements of length, mass, volume and time from a smaller unit of measure to a larger unit, and vice versa, using decimal notation of up to 3 decimal places.
- I can convert between miles and kilometres.
- I recognise that shapes with the same areas can have different perimeters and vice versa.
- I can calculate the area of parallelograms and triangles.
- I recognise when it is possible to use the formulae for the area of shapes.
- I can calculate, estimate and compare volume of cubes and cuboids, using standard units.
- I recognise when it is possible to use the formulae for the volume of shapes.
- I can solve problems involving the calculation and conversion of units of measure, using decimal notation up to 3 decimal places where appropriate.

## **Geometry – properties of shapes**

- I can compare and classify geometric shapes based on the properties and sizes.
- I can describe simple 3D shapes.
- I can draw 2D shapes given dimensions and angles.
- I recognise and build simple 3D shapes, including making nets.
- I can find unknown angles in any triangles, quadrilaterals and regular polygons.
- I recognise angles where they meet at a point, are on a straight line, or are vertically opposite, and find missing angles.
- I can illustrate and name parts of circles, including radius, diameter and circumference.
- I know the diameter is twice the radius.

## **Geometry – position and direction**

- I can draw and translate simple shapes on the co-ordinate plane, and reflect them in the axes.
- I can describe positions on the full co-ordinate grid (all four quadrants).
- Statistics
- I can interpret and construct pie charts and line graphs and use these to solve problems
- I can calculate and interpret the mean as an average.

---

*'For I know the plans I have for you,' declares the Lord. 'Plans to prosper you and not to harm you, plans to give you hope and a future.'* (Jeremiah 29:11)

### **Greater Depth in Mathematics**

- I can compare, order and convert between fractions, decimals and percentages, for example, in contexts related to science, history or geography learning
- I can move beyond squared and cubed numbers to calculate problems such as  $X \times 10^n$  where  $n$  is positive.
- I can use  $=$ ,  $\neq$ ,  $<$ ,  $>$ ,  $\leq$ ,  $\geq$  correctly.
- I can multiply all integers, (using efficient written methods) including mixed numbers and negative numbers.
- I can recognise an arithmetic progression and find the  $n$ th term .
- I can use a formula for measuring the area of a shape, such as a rectangle and triangle to work out the area of an irregular shape in the school environment
- I can use the four operations with mass, length, time, money and other measures, including the use of decimal quantities.
- I can create a scaled model of an historical or geographical structure showing an acceptable degree of accuracy using known measurements.
- I can calculate the costs and time involved of a visit to a destination in another part of the world relating to on-going learning in history or geography.
- I can collect my own data on a personal project and present information in formats of my choosing, using charts, graphs and tables, and answer specific questions related to my research.

## **A Year 6 Scientist at Dawpool**

### **Working scientifically**

- I can plan different types of scientific enquiry.
- I can control variables in an enquiry.
- I can measure accurately and precisely using a range of equipment.
- I can record data and results using scientific diagrams and labels, classification keys, tables, scatter graphs, bar and line graphs.
- I can use the outcome of test results to make predictions and set up a further comparative fair test.
- I can report findings from enquiries in a range of ways.
- I can explain a conclusion from an enquiry.
- I can explain causal relationships in an enquiry.
- I can relate the outcome from an enquiry to scientific knowledge in order to state whether evidence supports or refutes an argument or theory.
- I can read, spell and pronounce scientific vocabulary accurately.

### **Biology**

#### **Living things and their habitats**

- I can classify living things into broad groups according to observable characteristics and based on similarities & differences.
- I can describe how living things have been classified.
- I can give reasons for classifying plants and animals in a specific way.

#### **Animals, including humans**

- I can identify and name the main parts of the human circulatory system.
- I can describe the function of the heart, blood vessels and blood.
- I can discuss the impact of diet, exercise, drugs and life style on health.
- I can describe the ways in which nutrients and water are transported in animals, including humans.

#### **Evolution and inheritance**

- I can describe how the earth and living things have changed over time.
- I understand that some people will explain adaptation over time to evolution.
- I can explain what people mean by evolution.
- I can explain how fossils can be used to find out about the past.
- I can explain about reproduction and offspring (recognising that offspring normally vary and are not identical to their parents).
- I can explain how animals and plants are adapted to suit their environment.

---

*'For I know the plans I have for you,' declares the Lord. 'Plans to prosper you and not to harm you, plans to give you hope and a future.'* (Jeremiah 29:11)

## **Physics**

### **Light**

- I can explain how light travels.
- I can explain and demonstrate how we see objects.
- I can explain why shadows have the same shape as the object that casts them.
- I can explain how simple optical instruments work, e.g. periscope, telescope, binoculars, mirror, magnifying glass etc.

### **Electricity**

- I can explain how the number and voltage of cells in a circuit links to the brightness of a lamp or the volume of a buzzer.
- I can compare and give reasons for why components work and do not work in a circuit.
- I can draw circuit diagrams using the correct symbols.

## **Greater Depth in Science**

- I can use information from different sources to answer a question and plan a scientific enquiry.
- I can make a prediction that links with other scientific knowledge.
- I can plan in advance which equipment I will need and use it appropriately.
- I can link my conclusions to other scientific knowledge.
- I can explain how some living things adapt to survive in extreme conditions.
- I can analyse the advantages and disadvantages of specific adaptations, such as being on two rather than four feet.
- I am beginning to understand about the nature of DNA.
- I can readily group animals into reptiles, fish, amphibians, birds and mammals.
- I can make a diagram of the human body and explain how different parts work and depend on one another.
- I can compare the organ systems of humans to those of other animals.
- I can use the ray model to explain the size of shadows.
- I can explain the danger of short circuits and what a fuse is.

### **A Year 6 Historian at Dawpool**

- I can place features of historical events and people from the past societies and periods in a chronological framework.
- I can summarise the main events from a period of history, explaining the order of events and what happened.
- I can summarise how Britain has had a major influence on the world.
- I can identify and explain differences, similarities and changes between different periods of history.
- I can identify and explain propaganda.
- I can describe a key event from Britain's past using a range of evidence from different sources.
- I can describe the features of historical events and way of life from periods I have studied; presenting to an audience.
- I can explain some of the times when Britain has been invaded.

### **A Year 6 Geographer at Dawpool**

- I can use Ordnance Survey symbols and 6 figure grid references.
- I can answer questions by using a map.
- I can use maps, aerial photographs, plans and e-resources to describe what a locality might be like.
- I can describe how some places are similar and dissimilar in relation to their human and physical features.
- I can name the largest desert in the world and locate desert regions in an atlas.
- I can identify and name the Tropics of Cancer and Capricorn as well as the Arctic and Antarctic Circles.
- I can explain how time zones work and calculate time differences around the world.

### **A Year 6 Artist at Dawpool**

- I can explain why I have used different tools to create art.
- I can explain why I have chosen specific techniques to create my art.
- I can explain the style of my work and how it has been influenced by a famous artist.
- I can over print to create different patterns.
- I can use feedback to make amendments and improvement to my art.
- I can use a range of e-resources to create art.

### **A Year 6 Designer at Dawpool**

- I can use market research to inform my plans and ideas.
- I can follow and refine my plans.
- I can justify my plans in a convincing way.
- I can show that I consider culture and society in my plans and designs.
- I show that I can test and evaluate my products.
- I can explain how products should be stored and give reasons.
- I can work within a budget.
- I can evaluate my product against clear criteria.

## **A Year 6 Computer User at Dawpool**

### **Algorithms and programming**

- I can design a solution by breaking a problem up.
- I recognise that different solutions can exist for the same problem.
- I can use logical reasoning to detect errors in algorithms.
- I can use selection in programs.
- I can work with variables.
- I can explain how an algorithm works.
- I can explore 'what if' questions by planning different scenarios for controlled devices.

### **Information technology**

- I can select, use and combine software on a range of digital devices.
- I can use a range of technology for a specific project.

### **Digital literacy**

- I can discuss the risks of online use of technology.
- I can identify how to minimise risks.

## **A Year 6 Safe Computer User at Dawpool**

### **Knowledge and understanding**

- I can discuss the positive and negative impact of the use of ICT in my own life, my friends and family.
- I understand the potential risk of providing personal information online.
- I recognise why people may publish content that is not accurate and understand the need to be critical evaluators of content.
- I understand that some websites and/or pop-ups have commercial interests that may affect the way the information is presented.
- I recognise the potential risks of using internet communication tools and understand how to minimise those risks (including scams and phishing).
- I understand that some material on the internet is copyrighted and may not be copied or downloaded.
- I understand that some messages may be malicious and know how to deal with this.
- I understand that online environments have security settings, which can be altered, to protect the user.
- I understand the benefits of developing a 'nickname' for online use.
- I understand that some malicious adults may use various techniques to make contact and elicit personal information.
- I know that it is unsafe to arrange to meet unknown people online.
- I know how to report any suspicions.
- I understand I should not publish other people's pictures or tag them on the internet without permission.
- I know that content put online is extremely difficult to remove.
- I know what to do if I discover something malicious or inappropriate.

---

A Year 6 Safe Computer User at Dawpool . . . continued

**Skills**

- I follow the school's safer internet rules.
- I can make safe choices about the use of technology.
