COMMUNICATION QUESTIONNAIRE

Dear Parents / Carers,

We would like to review our methods of communication and the way we deliver information between school and parents.

We currently have a variety of ways that information is communicated to you, but it is vital that we learn which methods are working best so that we can improve the way we communicate in the future.

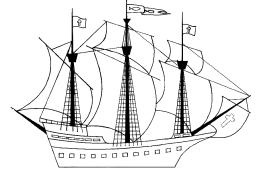

Please complete the enclosed questionnaire and return it to your child's class teacher or the school office by **Friday 5th February**. When we have analysed the responses, we will share our findings with you and explain the changes we will make.

We very much appreciate your help.

Yours sincerely,

David Burrows
