Welcome Back!

We hope you all had an enjoyable Christmas break. The children have settled back into school very well, having told us all about the wonderful presents they received. Father Christmas seems to have been very busy in the local area.

We wish you all a very happy and healthy 2014.

Rock of Joy News

I am pleased to tell you that Mrs McNee will be joining the Heswall Church Group visiting the primary schools in Masaka and Antioch during the half term break.

She will teach in the schools with some colleagues from St Peter's Heswall whilst other members of the group carry out building work and conduct medical check ups on the pupils.

We have had requests for used children's shoes and trainers. They would also like to have any pairs of children's glasses.

In addition, Mrs McNee would be grateful to hear from any of our talented parents or grandparents who might be able to make three fabric rainbow fish, three caterpillars and three butterflies. These will be left in each of the schools with the big books that the schools will use when telling the stories that these relate to. If you think you may be able to help please ask at the School Office for more details.

The children in Antioch are allowed to take home books from their school, but as they often walk for miles the books can be ruined in transit. Our school would like to raise enough funds to buy waterproof book bags to protect the precious books the school own. To this end we propose having a non-uniform day on Friday 17th January. Please could we ask you to support this worthy cause by sending in £1 per child?

World War 1 Commemoration

Later this year our older pupils will be researching all aspects of the First World War. We would be especially interested to hear from any families who have relatives who served in the Great War and see any artefacts or information.
