We are thrilled to announce that both our Under 11 and Under 10 teams came first overall and received the Gold medal. Our Under 8 team came second overall and were awarded the Silver medal. Our under 9 team also performed exceptionally well and we are very proud of them all!

School Lane

We have been notified by one of the residents of a neighbouring property to the school that they will be having building work starting on **Monday 8th July** that will last 12 to 16 weeks. This means that parking will be heavily restricted outside the houses next to the school and so parents may wish to leave

additional time to park elsewhere when dropping off and collecting for the duration of this term and the start of the next school year.

We are pleased to inform you that there are two music concerts organised in the coming weeks.

Parents of Year 4 pupils and parents of pupils receiving brass and woodwind lessons are invited to a concert in the school hall on **Monday 1st July at 2:30pm.** Year 4 pupils will be singing and playing their ukuleles and our brass and woodwind musicians will be playing their instruments.

Y5 and Y6 Visit to see A Midsummer Night's Dream

Year 5 and 6 had a wonderful visit to Hillbark Players' performance of A Midsummer Night's Dream. They enjoyed every minute and behaved beautifully.

We were also privileged to have a visit from Titania during the interval. We were all filled with pride to see our own Mrs Poston as the Faerie Queen. What an amazing actress!

It was a fabulous experience-thoroughly enjoyed by all!

Year 3 and 4 enjoyed their singing workshop with iSingPop this week. We are looking forward to the school producing their very own pop CD and music concert in September. More details will follow soon.

Summer Building Work

During the Summer holidays, there will be some work taking place in school to replace internal doors and to improve security and fire safety. As part of this work, we will be removing all coat pegs from the main school corridor and installing bespoke cloakroom units for

storing the children's coats, bags and belongings.

In the interests of health and safety, and to enable better standards of housekeeping, we ask all parents to minimise your child's belongings. The following items will be sufficient for every child:

- A coat (named)
- A book bag (named)
- A drawstring PE bag (named)
- A water bottle (no single-use plastics, please)
- A small lunchbox (if required)

Your child's water bottle, lunchbox and book bag will be kept within the classrooms. Your child's coat and drawstring PE bag will be kept on their peg.

'For I know the plans I have for you,' declares the Lord. 'Plans to prosper you and not to harm you. Plans to give you hope and a future.' (Jeremiah 29:11)

Please note that book bags, drawstring PE bags and water bottles may be purchased through the school office. Alternatively, you may buy these items from your preferred supplier.

From September, we will not have the space to store backpacks, additional sports bags and carrier bags. We will be encouraging all pupils to take their minimal belongings home at the end of each day. We would also like pupils who participate in extra-curricular sports clubs to get into the habit of using their drawstring PE bag to carry sportswear to and from school.

Thank you for helping us to improve the safety and tidiness of our school environment.

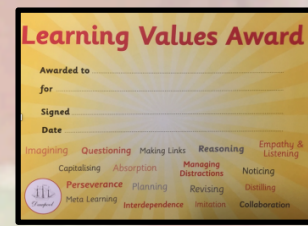

Beach Clean and Shore Cottage Visit

Some of our pupils went to Thurstaston Beach today to participate in a beach clean and work with the Shore Cottage Art Studio to create a 3D sculpture of a spoonbill, a wetland bird whose habitat is threatened by plastic pollution. Thank

you to Mr and Mrs Heath at Shore Cottage for hosting the children.

The sculpture will be displayed in a special exhibition at the **Williamson Art Gallery from 13th July to 10th September** – we hope you will be able to visit.

HeartSmart

HeartSmart. We have been thinking about the phrase '**No Way Through Isn't True!**'

HeartSmart is about love. Our hearts are made healthy by love. Love is what makes our heart smart. Believing that there's always a way through or to say it another way - *hope* is the fruit of a healthy heart. Hope is a position of heart, a decision that comes from our hearts. '*No Way Through*' *isn't True* shows that we love ourselves enough to never give up, to prevail and believe always and it shows that we love others enough to always see the potential lying dormant within.

Have a lovely weekend.

My best wishes, as always

During Worship this week we have continued to learn what it means to be

***'For I know the plans I have for you,' declares the Lord. 'Plans to prosper you and not to harm you. Plans to give you hope and a future.'* (Jeremiah 29:11)**
