### Parents' Evening

Parents' Evenings take place next week. A crèche will be provided in the school hall for the duration of your appointment(s). Should you wish to make use of the crèche, a voluntary donation to FoDS will be gratefully received. FoDS will also be baking with

the children next week and selling cakes and refreshments during the evening.

In January 2020, we will be launching a new school menu. The menu has been devised in consultation with all pupils and the school's catering consultants. As a result, we have established a wonderfully nutritious and exciting menu. We plan to introduce new foods to the children through themed days and curriculum activities.

We will be serving free samples from the new menu during the parents' evenings next week and we encourage you to come and see what's on offer. We will be providing more information about the new menu in the coming weeks.

### **General Election 12<sup>th</sup> December 2019**

You will be aware that the General Election is scheduled to take place on **Thursday 12<sup>th</sup> December** and the school building will be open to the general public for voting from 7am up to 10pm. When an election is taking place, we are asked by the Local Authority to accommodate the requirements of the *Representation of the People Act, 1983*. This Act empowers the Returning Officer to make use of any school as a

polling station. We are required to comply with this request.

In order to safeguard our pupils, we have no choice but to close school on this day. We apologise for any inconvenience this may cause, but we are sure you will understand that the reason for this closure is beyond our control.

## READING EXTRAVAGANZA!

A big thank you to everyone who has supported this week's Reading Extravaganza! The children have enjoyed lots of wonderful reading activities throughout the week. The Book Fair and Reading Bingo was well supported and we wish to thank all of our 'Mystery Readers' who did an amazing job . . . thank you! We will keep you informed of the money raised which will be used to fund new books for our class libraries. We are very grateful for your

### School Trips and Enrichment Activities

There have been social media posts from a small number of parents advising others not to pay towards school trips and activities.

We would like to continue to enhance the curriculum as much as possible by taking pupils on visits and bringing specialist provision into school.

Our 'Charging Policy', which is available on the school website, states that *'All contributions are voluntary. However, if we do not receive sufficient voluntary contributions it is understood that we may have to cancel a trip or activity.'*

May we take this opportunity to thank all parents who pay a contribution to such activities. Your generosity enables us to provide opportunities for the children which may not otherwise happen due to budget constraints in schools.

Thank you for your understanding and continued support
