## Year 3

## Year 3 - Week 28

## This week in a nutshell:

- As with last week there will be no new objectives introduced this week. Instead, questions will be taken from the full range of objectives, as shown in the progression document, with one or more 'trickier' objectives identified each week for recap.
- The recap objective for this week is:
- Recall and use multiplication and division facts for the 8 times table.
