

Recording Instructions

1. Your child should rehearse the song many times so that they know it off by heart!
2. When your child is ready, record them singing the song with a smartphone (portrait not landscape)

3. Your child should sing the song whilst listening to the performance track through headphones. This way, we only hear your child singing and not the backing music.

4. **The start of the video is critical.** As your child starts to record, you will need them to CLAP on the **4th beat** of the 2nd bar - you will hear the voice over cue say 1, 2, 1,2,3,4 Your child **MUST** clap on that 4th beat because that is how we will synchronise all the singers at the same time in the final edit.

5. Your child may like to wear their school uniform (although not essential)
6. Try to ensure your child's face is well lit and the background is plain
7. Most importantly, make sure your child smiles!

8. When the video is ready, please email it to twitter@dawpool.wirral.sch.uk by **Friday 15th May at 12:00pm**. Please note that videos received after this deadline will not be included in the final edit.
9. If you have any questions about the process, please email twitter@dawpool.wirral.sch.uk
10. Good luck and thank you for your help!
