‘For I know the plans I have for you,’ declares the Lord. ‘Plans to prosper you and not to harm you, plans to give you hope and a future.’ (Jeremiah 29:11)

How does Art contribute to the 'Abundant Life'?

Art, craft and design stimulates creativity and imagination. It provides visual, tactile and sensory experiences and a unique way of understanding and responding to the world. Pupils use colour, form, texture, pattern and different materials and processes to communicate what they see, feel and think. Through art and design activities, they learn to make informed value judgements and aesthetic and practical decisions, becoming actively involved in shaping environments. They explore ideas and meanings in the work of artists, craftspeople and designers. They learn about the diverse roles and functions of art, craft and design in contemporary life, and in different times and cultures. Understanding, appreciation and enjoyment of the visual arts have the power to enrich our personal and public lives.

Dawpool's Vision for Art

On completion of the art curriculum at Dawpool, pupils will have developed:

- *The ability to use art vocabulary (for example line, shape, pattern, colour, texture, form) to talk about their own work and that of others.*
- *Experience of using a range of art materials and tools, e.g. textiles, acrylic, clay, pastel, collage, pencil.*
- *Experience of using a computer to create and manipulate artwork.*
- *The ability to draw and paint from observation and imagination.*
- *A knowledge and understanding of other artists and designers.*
- *The ability to select and use materials, tools and techniques to create a range of 2D and 3D artwork.*
- *The ability to reflect on and evaluate their own work and that of others.*
- *Enjoyment of art.*

National Curriculum for Art

Key stage 1

Pupils should be taught:

- to use a range of materials creatively to design and make products
- to use drawing, painting and sculpture to develop and share their ideas, experiences and imagination
- to develop a wide range of art and design techniques in using colour, pattern, texture, line, shape, form and space
- about the work of a range of artists, craft makers and designers, describing the differences and similarities between different practices and disciplines, and making links to their own work.

Key stage 2

Pupils should be taught to develop their techniques, including their control and their use of materials, with creativity, experimentation and an increasing awareness of different kinds of art, craft and design.

Pupils should be taught:

- to create sketch books to record their observations and use them to review and revisit ideas
- to improve their mastery of art and design techniques, including drawing, painting and sculpture with a range of materials [for example, pencil, charcoal, paint, clay]
- about great artists, architects and designers in history

The National Curriculum for Art at Key Stages 1 and 2 can be downloaded from the 'Curriculum' tab of the Dawpool school website.

Archived (2021-22): Education Recovery in Art

In response to the COVID-19 pandemic, we have identified 3 overarching improvement priorities for education recovery:

- *Reading across the curriculum*
- *Teachers' subject, pedagogical and pedagogical content knowledge*
- *Quality First Teaching*

A focus on these 3 priorities will ensure that all pupils can access the full curriculum which is central to the '**Abundant Life that Jesus offers.**'

In addition to these 3 priorities, we have taken a **subject-specific approach** when prioritising what to teach.

In determining what to prioritise in the **art curriculum**, we have focused on our **vision for art** which outlines our aspirations for pupils in this subject. We have also considered the [guidance](#) produced by the DfE. The main aim of education recovery at Dawpool is to teach pupils what they need in order to make sense of later work in the curriculum. We have therefore identified the following priorities for the **art curriculum**.

Pupils will:

- *Develop fine and gross motor skills by cutting, gripping, moulding, etc.*
- *Use a range of different materials and tools in their artwork, e.g. textiles, acrylic, clay, pastel, collage, pencil.*
- *Have regular opportunity to draw and paint from observation and imagination.*

'For I know the plans I have for you,' declares the Lord. 'Plans to prosper you and not to harm you, plans to give you hope and a future.' (Jeremiah 29:11)

- *Revise art vocabulary so they can talk about, and reflect on, their own work and that of others.*
- *Explore other artists and designers to understand the multiple forms in which art exists.*
