Years 1 to 6 have had an amazing week with iSingPOP which culminated in them recording their very own pop CD. We hope today's concerts were enjoyed by those who were able to attend. Thank you to all parents for their support. Seeing the children's enjoyment of the project has been magical. The CDs and merchandise are now available to order. An order form was sent home this week and can be downloaded from the 'parent information' tab of the school website. Please return the order form to school by **Friday 4th October** and CDs and

merchandise will be delivered into school within 14 days.

MOONCAMP

2019

Next week some of our Year 5 pupils will be taking part in 'Moon Camp' at Thurstaston Campsite. This is an overnight activity camp sponsored by Wirral Borough Council and delivered by Hi-impact Consultancy Ltd. It is an event that will be themed around The Moon and all things Space, in support of Wirral's "Constellations" project which is part of their Borough of Culture initiative. The children will be engaging in a series of workshops and activities throughout both days as well as evening camp challenges and demonstrations. Alongside Hi-impact's delivery, there will be fantastic workshops from the RAF, Merseyside Astronomy Society and The Inventors.

We would also invite you to bring along something which represents your job, your volunteer tasks or your work in the home. It could be the “fruit” of your labours eg. a work report, feedback from a customer, a certificate of achievement, a tool of your trade eg a computer, a drill, a mop etc. The important thing is that what you bring represents what you do in your week.
