

Dawpool C.E. Aided Primary School Home Learning Planner

Year Group: 5 **Date:** Monday 1st June 2020

Daily message from your teacher

Hello again Year 5,
I do hope you are all well and enjoyed a relaxing half term week. It must have been a little sad for all those of you who had made plans to go away on holiday or to go and stay with friends and relatives but hopefully you all managed to enjoy some quality family time and occupied yourselves successfully. Do let Mrs Hall and I know if you did anything particularly nice, as it's always lovely to hear from you and stay in touch. Me and the children did some cycling and walking around our local area and it seemed lots of other people did too as we saw quite a few of our friends and neighbours out exercising and enjoying the fresh air and sunshine.

Timetable

Our plan for today is:

PE with Joe Wicks (9am or at some time in the day} [Joe Wicks You Tube Link](#)

Maths: Volume

Literacy: Comprehension Exercise: Usain Bolt

RE: Islam: The Mosque

Make sure you get lots of breaks and stop for drinks, food and fresh air.

Activity/Task

Date to complete

Maths: Today I would like you to look at the topic of Volume. I have included a link to an introductory video which explains this clearly. You can pretend it is me demonstrating the concept with you in the classroom, with the added bonus that you can replay it as many times as you need!

1.6.20

<https://corbettmathsprimary.com/2018/07/20/volume-of-a-cuboid-video/>

There is then a worksheet for you to work through. Have a go at it, completing what you can and what you can comfortably manage.

As usual...you can use the answer sheets to check you are correct or to learn from your mistakes. Add a positive comment for yourselves... I'm sure you will deserve it. If needed write a 'Top Tip' to help you improve in future, or that might help someone else develop their volume calculating skills.

Comprehension: I have included a biography comprehension about athlete Usain Bolt. Please choose the level you are comfortable with ... challenge yourselves as much as you can. Look back at your target from last week and focus hard so that you are able to achieve it. Remember to highlight key words in the question, and the relevant text in order to answer accurately. When you have finished check and mark your answers just as we would do in class. Try to

1.6.20

<p>remember the 'top tips' we would usually give each other and write one down in your books. Draw 2 stars and write something you feel you have done well, then draw a magic wand and record next to it, something you wish to get better at. You can then target this next time.</p> <p>If you want to do a little more then why not research and write your own biography about someone famous. Think carefully about how you would present this and the information that would most interest your audience.</p>	
<p>RE: I would like to continue with our Islam mini topic, today's focus being on the Mosque. I would like you to begin by predicting what might happen in a mosque, eg prayers, eating. study. Then use the video to help identify what goes on in the mosque and what aspects of the mosque show community.</p> <p>http://www.bbc.co.uk/education/clips/z82fbk7</p> <p>Use the link below to learn some more:</p> <p>https://www.truetube.co.uk/film/holy-cribs-mosque</p> <p>Here you can see the Muslim call to prayer:</p> <p>http://islam.about.com/cs/prayer/f/adhan_english.htm</p> <p>Allah is Most Great. Allah is Most Great x 2 I witness that there is no god except Allah x2 I witness that Muhammad is the prophet of Allah x2. Come to prayer. Come to prayer. Come to Success. Come to Success. Allah is Most Great x2. There is none worthy of being worshipped except Allah.</p> <p>These words often call Muslims to prayer in mosques, homes street corners or wherever they happen to be all over the world.</p> <p>TASK:</p> <p>For your task today I would like you to look at the Powerpoint I have included, it does include further video links to help you. Then complete the labelling Mosque activity and short question sheet. You can check your answers against the mark sheet.</p>	<p>Before next Monday please</p>
<p>I hope this is all okay for everyone. Please feel free to contact me if I can be of help to you and also just to let us know how you all are.</p> <p>Take care and once again, many thank, once again, for your continued hard work so far,</p> <p>Best wishes to you and your families, as always,</p> <p>Mrs Hosker</p>
