### Easter Service 18<sup>th</sup> April

This very special service is to be held at St Chad's on **Thursday 18<sup>th</sup> April** at 2.00pm. We intend to walk the children to the church after afternoon registration, and back again at the end of the service.

Parents also have the option of taking their child home from church at the end of the service. We do require some parental assistance for walking the children to the church and, those not going home, back to school. Chairs at the service at the front of the church hall will be reserved for those parents who can help. If you are able to help could you please send in a note to the class teacher on our first day back **Monday 15<sup>th</sup> April**.

The service will last approximately half an hour. Thank you for your support.

Our British Values focus changes each week according to current affairs, news stories and special occasions. An overview of our weekly British Values curriculum can be found on the [School Website](#)

This week we have focused on the following:

**Focus Question:** Are libraries still needed in modern times?

**News Story:** A bid to stop plans to close 25 libraries, and hand over several more to be "community-run" by volunteers, has failed in Essex last week. At a meeting of Essex County Council, an amendment was passed which did not rule out closures but agreed to explore using libraries as community hubs. At least 846 public libraries have been closed nationwide since 2010, according to figures from library association CILIP, which has left several local authorities with the lowest library provision in

Europe.

**British Value:** Respect - Libraries can offer a lot more than just the books they contain, they are a welcoming place to educate, enrich and support us all regardless of who we are or where we are from.
