

The Wirral **SCHOOL VENTURE**

20th April — 22nd April 2018

Barnstondale Centre

VENTURES LOG #1

SCHOOL VENTURE

3... 2.... 1...Blast Off! Pack your best moonboots for a fun-packed couple of days at mission control at The Quinta to explore the Bible's story of God, the world and you! This will involve indoor and outdoor activities, games, crafts, campfire and focused time together, helping you to make your own conclusions.

Your school is one of 6 local Church of England primary schools partnering with CPAS Ventures. Each school will be bringing 1-2 staff members and 10 space travellers. You will be joining forces with space travellers from other schools on this fact-finding mission!

Welcome, space travellers. CPAS Ventures are delighted to invite you to our space-themed School Venture! We look forward to welcoming pupils and staff from across the Wirral for this special residential weekend away.

CPAS VENTURES

CPAS Ventures run loads of fun, safe and inspirational holidays! We're a Church of England charity, established in 1836, providing 100 holidays for 4,000 children across the UK. We welcome children aged 8-18, of all faiths and none. All our volunteers are DBS checked and our high standards of safety mean that children can engage in new and challenging experiences whilst parents enjoy piece of mind.

THE TEAM

This trip will be led by a team of experienced Ventures holiday leaders, school staff and volunteers from local churches, plus the qualified instructors at Barnstondale. The Overall Leader of the holiday is Tim Friend at the CPAS office:
0300 123 0780 (9:00am-4:30pm)

Friday 20th Apr to Sunday 22nd Apr 2018

Barnstondale Centre, Storeton Ln, Birkenhead, Barnston, CH61 1BX

The cost of this superb residential is £69, including all accommodation, food and activities. Please see your school letter or speak to your school office.

To register your interest, please return the tear-off slip from the enclosed letter to the school office.

We can't wait to see you there!
